SECOM-D-476

23 MAR 1979

MEMORANDUM FOR: Director of Central Intelligence
VIA: Deputy Director for Administration
FROM: Robert W. Gambino
Chairman
SUBJECT: Analysis of Intelligence Leaks
REFERENCE: DCI memo for record, dated 16 March 1979;
ER-79-6745

1. Action Requested: None; for information only.
2. Background and Discussion: Reference memorandum tasked an analysis of intelligence leaks to identify any associated patterns. Action to do so is in progress. I have tasked the representative from Defense who chairs the Security Committee's Working Group on Unauthorized Disclosures to compile the data. The period to be covered will be from the beginning of 1978 to the present, and will include all leaks of intelligence which were considered to be of enough significance to warrant a request for investigation. Leaks will be categorized by month of occurrence, identity of media in which published, author of publication, topic(s) of leaked material, identity of Community agency of origin, and whether Justice/FBI agreed to investigate with results of their action. A report providing the data will be forwarded as soon as this effort is completed.
